Interior

We have a four bedroomed contemporarily decorated detached house in a suburban setting.
The kitchen features blue glass worktops and white units and stainless steel appliances to create a stunning family room which leads, via large patio doors to the garden.
Most rooms downstairs have wooden oak flooring with rugs or ceramic tiling and the walls are mostly painted in muted colours with just the lounge having a feature wall of Orla Kiely designed wallpaper.

Exterior

The rear garden has been landscaped by Diarmuid Gavin and features white concrete ramps, a self-contained steel and slate tiled office, decking and a patio, all of which combines to provide a real 'wow' factor.
