Interior

We welcome filmmakers to come and make use of our multi-set studio in London. Film Sets Each of these film Sets are already dressed but our hourly/daily rate includes unlimited use of all of the props we stock so you can feel free to add or take away items as you wish. • Victorian Operating Theatre • Victorian Consulting Room • WW1 Field Hospital • Period Dental Surgery • Modern Dental Surgery • Modern Morgue/Post Mortem • Modern Operating Theatre • A&E bed set up • Maternity Unit • Hospital Ward • Tattoo Parlour We also have green, black and white plain back drops as well as some areas of blank wall and studio lights where Tailor made sets up can be created using any of our 1000+ of period and modern props. You can either design this yourself or come to us with an idea and we will put together a design for you. The possibilities are literally endless. Facilities • Plenty of onsite parking space • Basic kitchen facilities (kettle/toaster/microwave/fridge) • Space for dressing room/makeup and hair • Space for green room area • 3 Toilets
