Interior

This outstanding filming venue is composed of 3 areas; 1) a large indoor, blacked-out, high ceiling warehouse type of space, with ladies and gents toilet, entrance, large fire exits, a high quality in-house sound system. There are several movable partitions which can be used to create several spaces within the larger space. There is power and water connections. 2) a loft type of space which acts as green-room / office, with large windows and wooden floor. 3) a kitchen facility. The space has a premises license (midnight week-days, 2am fri and sat, 10pm sundays) indoor and outdoor.
