Features:

Interior

18th-century detached former public house that has been converted into a spacious family residence. The property offers approximately 2,463 sq. ft. of living space, featuring five bedrooms and three reception rooms. The ground floor includes a kitchen/breakfast room equipped with granite and oak work surfaces and a Rangemaster dual fuel cooker, a utility room, and a cloakroom. Additionally, there's a family room with bi-fold doors leading to a decked garden area and a ground-floor shower room, providing the option for a bedroom on this level.

Exterior

Externally, the property boasts a gated gravel driveway with parking for up to four cars, a double garage with power and lighting, and a detached studio/home office featuring a decked veranda. The front garden is lawned and bordered by a hedge, while the rear garden includes both paved and gravelled seating areas amidst well-maintained beds and borders.
