## SE6805

### 1930's Arts and Craft Style Detached House For Filming

1930's Arts and Craft style detached house with a large garden and separate rear access. The exterior is constructed with oak timbers, hand made bricks/roof tiles and lime render.

**Location:** Berkshire, United Kingdom

**Within the M25:** No

**Categories:** Detached & Executive Houses | Woodland | Family Traditional

### Features:

## **Interior**

The interior of the 3 bedroom main house has an attractive oak staircase with individually craved figurine newel posts, oak floors and doors with lime rendered walls. There is a bathroom and separate WC and cupboards. The 2 bedroom domestic staff quarters has plastered walls, pine woodwork and doors with a shower room.

## **Exterior**

1930's Arts and Craft style detached house with a large garden and separate rear access. The exterior is constructed with oak timbers, hand made bricks/roof tiles and lime render. The large front garden and gravel drive has 2 entrances that can accommodate several vehicles. The acre of garden to the side and rear is made up of mainly lawns, trees and hedges with the more formal areas of the garden merging into more wild appearance towards the rear access.
