### Features:

#### Exterior Features

- Back Garden
- Lake/Pond

#### Facilities

- Green Room
- No Power
- Toilets

#### Interior Features

- Unfurnished

## **Interior**

&nbsp;

Semi-derelict Round House positioned in a countryside setting.

The exterior of the property has degraded whitewash walls, a run-down green wooden porch cover, and has definitely seen better days! This location has significant potential for a number of scenes in film, or as the backdrop for photo shoots.
