### Art Deco Cinema In London For Filming

Art Deco cinema with stalls & circle created in 1937 within the shell of an Edwardian cinema for filming and video shoots

**Location:** East London, London, United Kingdom

**Within the M25:** Yes

**Categories:** Theatres, Cinemas & Concert Halls

**Features:**

## **Interior**

Art Deco cinema with stalls & circle created in 1937 within the shell of an Edwardian cinema, retaining many original features. In 2017 a new auditorium was created in the basement space. There is a large foyer with kiosk/ bar and seating area. The cinema is a fairly quiet space with subdued lighting, there is plenty of seating throughout the building, there is a good sized projection room, corridors and offices
