Interior

This large barn conversion has various reception rooms for filming. One features a modern mural wall of a cityscape, another offers double height ceilings, exposed beams and large windows letting in lots of light. There is a large open plan kitchen and reception area. The kitchen features wooden cabinets, dark worktops and a large island. There are several bedrooms with the master featuring pitched ceilings and exposed beams.

Exterior

The barn conversion sits on a three acre field and has a large outbuilding housing a games room.
