Beautiful Converted Mill For Filming

Large five bedrooms, three bathrooms converted mill with large open interior spaces available for filming and video shoots

Location: France

Within the M25: No

Categories: Industrial Buildings | Ponds | Lakes | Islands | Family Modern

Features:

Interior

Over 5 bedrooms, 3 bathrooms. Many of the large open industrial spaces and original mill features remain. Versatile Interiors: Atmospheric stone walls, exposed beams, large barn vibes, flowing water nearby, and lovingly-designed living and work spaces that lend themselves perfectly to shoots requiring character and soul. Expansive Space: Large ex-industrial interior spaces include The Flour Store (120m blank canvas space of neutral walls and wooden beams); The Artists Loft (110sqm under-eaves roof space) plus a 120sqm separate ceramics and print studio.

Exterior

Converted mill. Stunning setting on the river bank. Grassland and parking space. -Outdoor Beauty: Riverside meadows, direct access to the waterfall, hiking trails, and seasonal landscapes that shift beautifully throughout the year.
