SE6491

Beautiful Museum Buildings For Filming

Engineering and steam power museum for filming and video shoots

Location: East Sussex, United Kingdom

Within the M25: No

Categories: Museums

Features:

Interior

Polychrome brickwork, moulded dressings and facings, decorative gables and elaborate windows characterise all the structures – even the 95-foot (29 m) chimney, which stands apart from the main building.

Exterior

The High Victorian Gothic buildings.
