

## **SE6491 Beautiful Museum Buildings For Filming**

Engineering and steam power museum for filming and video shoots

**SE6491**

**Beautiful Museum Buildings For Filming**

Engineering and steam power museum for filming and video shoots

**Location:** East Sussex, United Kingdom

**Within the M25:** No

**Categories:** Museums

**Features:**

**Interior**

Polychrome brickwork, moulded dressings and facings, decorative gables and elaborate windows characterise all the structures – even the 95-foot (29 m) chimney, which stands apart from the main building.

**Exterior**

The High Victorian Gothic buildings.
