## **Interior**

Set in hilly and wooded countryside in the lower reaches of the Conwy Valley, it commands spectacular views across to Snowdonia. Stone cottages and farm buildings have been restored using traditional materials and techniques, and the Estate supports farming and encourages other rural activities. We have many miles of private woodland paths & tracks winding through the Estate. Lakes, Hunting lodges, restored & redundant buildings .

The Estate also has a range of other residential and commercial properties for rent at competitive rates, as well as timber and Christmas trees, and various country pursuits.
