Exterior

In a quiet village location, the Cottage has a long narrow driveway at the front and an additional lengthy driveway which overlooks open fields at the rear and is close to a village pub..

The large, well tended garden has mature trees, wood sculptures and has a secret garden feel, rather than neat and tidy. At the rear of the property is a caravan and the driveway leads to our conker Cabin, a converted double garage, in a Canadian cabin style which is used as an office and a small performance venue.
