Interior

Period apartment with modern interior, and upmarket electrical gadgets.

The living room has a spiral staircase leading up to a gallery'd landing, and the 2nd and 3rd bedrooms.

The hallway leads to a wider than standard staircase with no Bannister rails - perfect for moving filming equipment.

On the living room level is a shortish corridor leading to the master bedroom. This bedroom has a walk-in wardrobe and en-suite bathroom with blue mosaic tiled wall.
