Interior

This world-class entertainment venue has unrivalled attention to detail, coupled with boasting being host to many hundreds of spectacle events and parties.

The focus at this venue has always been on the quality of the entertainment, with state-of-the art sound and lighting installations constantly being updated and developed. In addition to the vast sound systems, dazzling laser and lighting rigs and full Wi Fi capabilities across 2 main spaces:

1. a unique Bodysonic dance floor,

(the first dance floor of its kind to be installed in Europe) that enables users to physically feel the bass of the music playing when it's transmitted into their body through underfloor transducers.

Combining bricks, glass, wood and metal, this venue is both distinctive yet understated; an urban jungle, glamorous lounge and hi-tech wonderland all in one. The space - an impressive network of independent levels, rooms and areas - is highly versatile, easy to theme and can accommodate and delight anything from 50 to 1,800 guests.

The fabric team promises a tailored event experience, executed to your specifications. The venue is available at any time other than Friday nights, Saturday nights and the whole of Sunday.

Potential productions:

- Parties (80 -1800 capacity)
- Theatre-style conferences and presentations (240)
- Fashion shows (280)
- Formal dinners (160)
- Award ceremonies (1100).

This offer offers flexibility in the layout and technical specifications to perfectly support exhibitions, breakoutworkshops, showcases and product launches.
