LON6825

Century Old Cinema For Filming

A century-old cinema with striking art deco architecture.

Location: North London, London, United Kingdom

Within the M25: Yes

Categories: Theatres, Cinemas & Concert Halls

Features:

Interior

The main screen features plush red seating, raked floors, and rich architectural detail—ideal for period pieces, dramatic sequences, or intimate interior setups. The venue includes a second, smaller screen with 22 seats—perfect for varied shot compositions, more intimate scenes, or a contrasting modern space.
