Colourful Quirky Victorian End Terrace For Filming

Colours change, not at the edge of walls but at unexpected points

Location: North London, London, United Kingdom

Within the M25: Yes

Categories: Terraced Houses | Retro | Eclectic

Features:

Interior

Victorian 4 bedroom end of terrace family house with a loft conversion. Colour on ceilings and floors as well as walls. Colours change, not at the edge of walls but at unexpected points, zoning the different functions of each room or offering an introduction to the shades to be encountered as you move through the house.
