We live down a gravel tree lined track. We have lake views from three sides of the property with lots of natural light.its beautiful here whatever the season with different lights on the lake, sun rise from the balcony and sunset from the front of the house. We have a large lawn area at the back, with mature trees hosting a fitness punch bag, and a small wild flower area in the front. A slate path leads to a modern front door, to the right is a gravel drive with parking for five cars.
