LON6226

Contemporary Riverside Home For Filming

Contemporary design with fabulous views directly to the river

Location: South West London, London, United Kingdom

Within the M25: Yes

Categories: Detached & Executive Houses | Ponds | Lakes | Islands | Family Modern

Features:

Interior

The interior styling is not obviously British, making it a very suitable house to shoot video or film aimed at international audiences

Exterior

Contemporary design with fabulous views directly to the river. The house is set 1.3m off the floor on piles. Every room can be lit from the outside, perfect for shooting "day for night"
