Interior

This amazing London film location and photographic studio features:

- a photographic infinity cove and changing area ideal for shoots
- a fully functional kitchen with island
- a wood burning arguer
- textured floors and walls along with large factory windows (with black out blinds if required).

This is a ground floor shoot location with large double doors, providing ease for deliveries of large props etc. There is also good access to parking (with advance notice in order to obtain parking permits).

Exterior

A factory exterior - large factory windows with victorian red brick, with brown glazed brick on lower third.
