Interior

The gite used to be a barn full of old machinery. We have tried to keep as many of the old features as possible. Mix of old and new. The gite has three bedrooms. Two bedrooms have double beds and the third bedroom has twin beds. The living and dining area is open plan, with a mix of old and new furniture. The 17th Century dining table sits at least 8 people. The back door to the gite leads out onto the private raised terrace which overlooks the unspoilt county-side. The bathroom is a wetroom.

Exterior

The outside of the gite overlooks the unspoilt views of the country-side.
