- Exposed Beams
- Large Windows
- Stone Walls

Interior

A beautiful 18th century deconsecrated church in a countryside setting. The interior features a small bar and toilets. The church itself features large windows, masonry and stone flooring.

Exterior

Surrounded by fields with a graveyard outside the church. There are also glamping pods and a house on the plot. The space enables helicopter landings on site. There are no access limits, as the drive is 15 foot wide and concrete.
