Interior

This Derelict Victorian hospital, originally built in 1896, and operated as an Orphanage, provides endless opportunities to filmmakers.

This indemand location, one of very few remaining examples, has the abundant character of a decaying building, whilst preserving many relics from its bygone past such as old wheelchairs, beds/dormatory, seating etc.

The building has a floor space of 99,000 sq ft, is located away from all residential property and in its own grounds of approximately 3 acres.

Property Features:

- main hall (peeling paint, period features)
- spiral staircase
- several open plan wards
- school
- chapel
- mortuary
- large central courtyard
- psychiatric Unit with a padded room
- A & E
- emergency stairs
- characterful red-brick exterior
- off road private parking for over 100 assorted vehicles
