Features:

Interior

The house is a detached chalet bungalow. It was built in the mid 1980s, then refurbished and extended in 2010. It has a light and airy interior. It has 4 bedrooms, 3 upstairs and one downstairs. It has a total of three bathrooms inside, an ensuite, one main bathroom upstairs and a shower room downstairs. There is also a toilet in the triple garage, adjacent to the house. There is a large living room, open to a dining room, at the front of the house. Running along the back of the house, there is a generous study/library, kitchen/living/dining and utility room, all south facing. The house sits on a plot of 0.5 acre, with a 3 acre field sitting behind the house. Within the main plot, there is a triple garage and a run of 3 smaller garages, within the field, there is a large garage/barn.

Exterior

Made the most of views and south/west gardens. It has a dual level patio with hot tub sunk into the upper level. In addition to the main driveway, there is a laneway running along the periphery - leading directly to the field and larger garage/barn. There is a small stream running along this, which forms our boundary on one side.
