**Interior**

This detached family home has the traditional bay window in the living room, as well as a fireplace. The hall leads you to a large extension where you have an open plan kitchen and diner. The kitchen features an island and white units. There are large glazed doors out to the garden as well as two skylights flooding the room with light. There is a dining space and further sofas tucked around the corner from the kitchen. Upstairs the neutral decor continues and there are four bedrooms, one with an en-suite and a further family bathroom, featuring a large freestanding bath and separate shower.

**Exterior**

There is a driveway that can fit around three cars across the front of the house. The back garden features a patio area leading straight from the open plan kitchen. There is an outbuilding off to the side of the patio and a lawn space.
