Interior

6/7 bedrooms, the dining room is currently being used by owners mother as a bedroom but can easily be converted back if required. Approximately 450sqm detached typical Victorian family home was built around 1870. Inside there are large rooms laid out over several floors. The Ground Floor has an Entrance Hall, Kitchen with Breakfast Room, Study, Living Room and traditional Dining Room seating at least 14. There is then a Landing with WC and Shower Room separated by a small area with large stained glass windows. Upstairs the First Floor boasts four double bedrooms and attached bathroom between two of them. The next landing has a large bathroom with free standing bathtub and windows facing both the street and garden. The Top Floor has a Snooker Room, large Bedroom and large bathroom with both shower and bathtub. The Lower Ground Floor has a Family Room and several utility rooms.

Exterior

There is a large South West facing back garden (approximately 30m x 60m) with seating areas, flower gardens and even a traditional red telephone box. In front is a smaller garden and two driveways.
