Interior

offers an exceptional and highly versatile filming location just a short distance from Central London. Combining over 450 years of history with outstanding modern facilities, the School provides a diverse range of architectural styles and adaptable spaces suitable for film, television, commercial and photographic productions.

The campus features an impressive mix of historic buildings, contemporary teaching facilities, expansive green spaces and first-class sporting venues, allowing productions to capture multiple settings from a single location. Whether you're looking for traditional school corridors and classrooms, elegant period architecture, modern interiors, landscaped grounds or extensive sports facilities.

Available locations include spacious classrooms, science laboratories, libraries, assembly halls, music and performance spaces, intimate theatre spaces, sports halls, tennis courts, an acclaimed swimming pool.

Exterior

Extensive playing fields and attractive outdoor areas over the 23 acre campus.

Limited onsite parking but the spacious campus provides room for technical vehicles, crew facilities, catering and equipment, helping productions operate efficiently while minimising disruption. This is facilitated by the dedicated onsite team experienced in supporting external bookings.
