The interiors impress from the outset, featuring soaring 11-foot ceilings, expansive rooms, and abundant natural light.

Location: London, United Kingdom

Within the M25: Yes

Categories: Designer Contemporary

Features:

Interior

an exquisitely refurbished three-bedroom residence offering over 2,200 sq ft of elegant living space. The interiors impress from the outset, featuring soaring 11-foot ceilings, expansive rooms, and abundant natural light. Renovated to the highest standard, the property boasts a bespoke German kitchen with integrated Siemens appliances, luxurious bathrooms with features such as a Jacuzzi bath, Italian tiles, and a dedicated cinema room complete with a Sony projector, surround sound system and smart blinds. Two refined reception rooms provide flexible space for both entertaining and everyday living.

Exterior

With its own private entrance and courtyard garden, this exceptional home combines period grandeur with high-spec contemporary finishes. The private courtyard garden offers a tranquil retreat for outdoor dining and relaxation.
