Interior

this farmhouse is situated in a small hamlet down a quiet country lane, the fields around us are crops including sunflowers some years, and at the end of the lane is woodland.

The large barn room in the house has a huge stone built fireplace, vaulted beamed ceiling, wooden floors and loads of character.

There is a kitchen diner with log burner, another lounge with old log burner. Tiled floors.

Upstairs 3 bedrooms, with wooden floors and beams.

Gite

There 3 bedroomed Gite too, but it stands on its own.

The farmhouse also has a one bed self-contained guest wing too.

The wisteria has now grown across the front now.
