Interior

The property was built in 1938 by a Danish couple and has only had 3 owners including us the current owners.

The property has a large sitting room which leads in to the dining room, kitchen, office, snug, 4 bedrooms, 3 original 30's bathrooms, a billiard room, double garage, utility and wine store. There is a large terrace off the sitting room and balconies off two of the bedrooms.

This can be hired for still shoots and filming.

Exterior

Set in 3.5 acres down a long drive the property has uninterrupted views over the River. The property has stunning features but the views speak for themselves. The views can be seen from every window and balcony that overlooks the river.

The property is just 1 hour drive from the M25. and a few minutes from mainline train station.
