## Four Bedroom Detached Home For Filming

The property boasts a light-filled open plan kitchen and dining area with high-end finishes, ideal for modern interior scenes, alongside a spacious living room that opens onto a professionally landscaped garden, perfect for outdoor filming or continuity shots.

**Location:** Berkshire, United Kingdom

**Within the M25:** No

**Categories:** Detached & Executive Houses | Family Modern

**Features:**

**Interior**

The property boasts a light-filled open plan kitchen and dining area with high-end finishes, ideal for modern interior scenes, alongside a spacious living room that opens onto a professionally landscaped garden, perfect for outdoor filming or continuity shots. A separate study and four generous double bedrooms, including a luxurious principal suite, offer multiple looks and filming options across two floors.

**Exterior**

Tucked away at the end of a quiet cul de sac, this striking four-bedroom detached house offers a superb setting for film or TV production. With excellent on-site access for crew and vehicles, the location is both discreet and highly practical.
