**Fully Renovated Dairy Barn For Filming**

Double height ceilings and exposed beams.

**Location:** West Yorkshire, United Kingdom

**Within the M25:** No

**Categories:** Barn Conversions For Filming | Family Modern

**Features:**

## **Interior**

The property has a south aspect with stunning views, framed by large 6m x 2.4 sliding doors. The layout is relatively open plan across 280m<sup>2</sup>. The kitchen /dining area is one of the main features measuring 8.5m x 8.5m with a double height ceiling and part mezzanine. The modern kitchen has a modern handleless design and a 3.5m seamless island with seating, The grey aluminium glazing against the white interior gives a striking effect. The main lounge is over 60m<sup>2</sup>, large windows allow lots of natural light, there is a media wall with inset electric flame effect fire and recessed tv. There are 4 bedrooms (3 on the first floor) including a master suite with seating area and changing room. The exposed beams on the first floor give a great sense of the history of the building and add a sense of warmth.

## **Exterior**

There is ample parking at the side and front of the house for 5-6 vehicles. The views from the house are beautiful
