Interior

Period exposed brick walls and iron window frames

Newly renovated with contemporary funky fixtures and fittings, bright contemporary seating, quirky light fittings, fun vinyl art work on the glass walls

Open loft-space with plenty of natural light and oak wood flooring

Exterior

The mill is a 5-storey red-brick building with water tower situated next to the train station, but with a large flat car park in between offering great open views of the building. It's part of a yard area consisting of several smaller buildings from a similar period - all former mills.
