Interior

This is a generously proportioned five-bedroom detached property offering exceptional versatility and outstanding logistics for film, TV, and commercial productions of all scales.

Internally the property offers a remarkable variety of spaces across three levels. The ground floor includes a large dual-aspect reception room with feature fireplace and log burner and direct garden access via French doors, a generous open-plan kitchen-diner with separate utility room, a second reception room currently used as a sitting room, and a striking cloakroom with dramatic jungle-print wallpaper and dark ceiling. The first floor has five bedrooms including two children's rooms with bold colour schemes in navy blue and forest green, three bathrooms, and a substantial landing. The master is of exceptional size with skylights and a large en-suite bathroom, there is a guest bedroom also with an en-suite and a smaller fifth bedroom currently used as a home office.

The owners are highly flexible and accommodating, with a professional painter and decorator on-site available to assist with any redecoration requirements between shoot days.

Exterior

Outside, the south-facing rear garden is large, private, and well-screened by mature trees and hedging, with a paved terrace, generous lawn, and access to a separate outbuilding. The front and side grounds provide additional parking and circulation space rarely available at residential locations.
