This expansive property has an exceptional floor plan that includes a grand dining room, drawing room, kitchen, and living room. A stunning staircase leads to the first floor, where you'll find a light and airy master bedroom along with several large en-suite bedrooms—all highly suitable for filming or photoshoots. At the top of the house, there are an additional ten en-suite bedrooms. The property is available immediately, is currently empty, and offers on-site accommodation for cast and crew, along with ample space for unit base and technical vehicle requirements.
