Interior

This is an old tobacco bond, it's an industrial warehouse, concrete floors throughout, exposed brick walls, steel beams and concrete pillars.

It is a multi purpose warehouse space, catering to the needs of artists, events companies, the music and film industries and commercial clients.

Due to its development over the years the building now consists of 5 diverse spaces all ideal for filming, photo shoots and events. The building includes a versatile industrial Warehouse, used regularly to shoot music videos and commercials.

A Photographic Studio, naturally lit, with a 5m (width) x 3.5m (Height) infinity cove. Offering hair, make-up and styling areas, along with dressing room facilities ideal for commercial and editorial shoots, castings and breakout space.

The Poetry Club is a unique, intimate space, perfect for Wrap Parties and Film Screenings with an adjoining Gallery with a simplistic white wall backdrop.

Our newly built TV Studio is the largest of our spaces with drive in access, dressing rooms, kitchen facilities and industry standard power. This space is an ideal location for Film & Television Production and Stage & Set Design. The building also has lift access to a large open roof top looking over the River Clyde.

Due to its diverse spaces and unique nature with a great production team and spacious dressing rooms, this is an ideal location to hire.

Exterior

The street is a dead end, with train arches leading the whole way down. A galvanisers yard on the right hand side and a train track running above the arches.
