Interior

1830's large grand Georgian Villa with River Thames frontage in Twickenham. Large reception hall with 3 large additional reception rooms each with french doors opening to a beautiful mature garden. Original parquet, dado and cornicing throughout ground floor. Lofty and airy ceilings. There is a conservatory with small pool off the study/library. Over 5,000sq ft, more if you include the spooky low ceiling basement that runs under the whole house. Upstairs 6 bedrooms, 2 large suites opening onto a balcony the full width of the house overlooking the garden and river. There is a beautiful wisteria running over half the length of the balcony.

Exterior

Outside is a lovely mature garden, about 160ft down to the river. There is a raised deck and summerhouse overlooking the water.
