Interior

6000 sq ft family barn conversion with a mixture of contemporary interior styling and traditional features. All the rooms are light and extremely spacious with large open plan living areas, vaulted ceilings, exposed beams and oak floors. The kitchen has an island with forward facing hob and concealed extractor fan. Additional features include a stunning oak gallery, floating staircase, cinema room and mood lighting.

One barn has been converted into an office with separate shower & toilet which can be used as a green room, make up room or production office. Inside the 6000sq ft barn the rooms are large, light and airy with two huge vaulted living areas, five bedrooms and five bathrooms all with exposed beams and oak floors. Additional features include a gallery, cinema room and floating staircase.

Exterior

2 acres of grounds which include gardens, paddock, original raised granary, open air cow barn with original wooden feeder troughs, converted office with WC and shower rooms, 2 stables and several semi derelict outbuildings. There is a large gravel drive with plenty of parking for crew and support vehicles.
