Interior

THIS PROPERTY IS BETTER THAN THE IMAGES

* Recently refurbished bungalow set in 1 acre private land* Huge/modern kitchen/dining room (with three penny bit)* large Lounge with feature fireplace/comfortable furnishings* Large bedrooms* Treble garage with electric doors and power sockets* Flexible owners(The image gallery is being updated with much clearer photographs. The current crop were taken in bad light but to meet a deadline!)

The Approach

The bungalow is accessed off a private road approximately 50 meters back from a B-road. There is no residual traffic noise outside, and the all that can be heard is the crisp sound of gravel under foot, and the local wildlife.The large gravel car park is large enough to park several large vehicles safely with further parking available for cast and crew. Set in 1 acre of gardens, the property is also very secure.

Entrance

Upon entering through the wider than average solid wood front doors you find yourself in a large open hallway with corridors leading left and right.The corridor runs the width of the house in a half-octagon shape. The hallways are very wide, much broader than standard hallways, and the main rooms have double-wide doors (see images).

Internal Rooms

All of the rooms are spacious and decorated in magnolia or similar light shades of paint. Woodwork is white, and all doors are of a light wood.

Location

This property is located approx. 30 minutes outside of the M25 in the village of Eversley.
