Features:

Interior

Hall offering a broad range of film location opportunities throughout the House, Gardens and Grounds. The house is part Georgian, part Victorian and there are extensive outbuildings, stables and a magnificent 16th Century Tithe Barn. Ponds, fruit orchards and herbaceous borders form part of the stunning gardens. Due to its connections with Downing Street, many political films and television dramas have been shot here. The house is set within the M25.

Exterior

Set in 350 acres of farmland which includes 90 acres of mature woodland and the river Chess. This multi-faceted location property provides a film friendly location where there is plenty of hard standing for full crew and facilities parking.
