Interior

This School estate is spread over a 55 acre historic campus and offers a wide variety of filming opportunities. The main mansion was built in the 1700's and has stunning original features throughout. There are large rooms, with tall ceilings, cornicing, wooden flooring and impressive original fireplaces to name a few features.

There are classrooms of a traditional and modern variety, a large theater/auditorium and various sports halls. This includes a multi purpose gymnasium, a 25m indoor swimming pool, a chapel, and other outbuildings.

Exterior

Within the grounds there are several outbuildings including cabins, cottages and an equestrian center.

You will also find many outdoor tennis courts within the campus which is surrounded by countryside.
