Interior

This large country pub offers so many different filming spaces all with the original features and exposed beams you expect from a building of this age. Large fireplaces and real wooden floors can be found throughout. There are different trading areas on various levels and in different areas of the plot. There is also a trading commercial kitchen

Exterior

There is a car park out the front of the property however the back is where it excels. The Beer garden is expansive and offers so many different areas with different styles. There are patios, lawns and outdoor bars providing various filming opportunities.
