Categories: Detached & Executive Houses | Swimming Pools | Family Modern

Features:

Interior

4 large double bedrooms all with access to their own ensuites/ bathrooms. The master suite also has a large walk in wardrobe. There are also 2 further toilets and shower facilities located downstairs. The largest 5th bedroom is currently used as a cinema room and gym. 3 downstairs reception rooms - the glass/ wood staircase opens onto the large dining room. There is also a larger formal lounge and a smaller lounge area/ snug. Both the formal lounge and snug have their own set of bi-fold doors which open onto the large American style veranda which overlooks the beautiful front/side garden to the property. The bright kitchen is located at the back of the property which is an extension to the original house. The kitchen has a large lantern roof and bi-fold doors which open up onto the back private garden/ pool/ and side terrace area. The renovated pool is heated by the visually discreet solar panels located on the western roof of the property. The pool also has an electric cover which is fully secure. The pool area is astro turfed and has numerous places to sit and sunbath including the decking terrace which is an impressive sun trap. The kitchen has a separate utility room which leads onto the internal swimming pool entrance - which has its own separate toilet/ shower room and changing room.

Exterior

large detached property with the original house being built in the 1930s. The property is 4500 to 5000 square feet and is set on approximately 1/2 an acre of land located just off the beaten track down a private road. The property is accessed by two electronic gates on each end of the large in and out block paved driveway. The property also has a large double integrated garage.
