Interior

This expansive 4,000 sq ft property seamlessly combines rural charm with modern convenience. The house features colourful decor that adds character and visual interest to every scene. With four reception rooms, this property boasts multiple areas for filming, rehearsals, or off-set relaxation. Many rooms have more than one entrance, providing unique angles and smooth transitions for dynamic shots. Above the garage is a spacious and versatile room offering endless possibilities for filmmakers. This large, well-lit space can easily be transformed into an office, boardroom, or commercial setting. The house has 4 bedrooms, two are ensuite, one is currently set up as a home office space. There are 4 bathrooms - a master with bath and shower, a small downstairs toilet and two ensuites which both have showers.

Exterior

The home is private and quiet, set behind secure electric gates. The large garage and driveway also offer ample, secure space for crew parking and equipment staging. The property boasts beautifully enclosed gardens at both the front and rear. Lush greenery and mature trees create a serene backdrop, while a stunning pergola and outdoor dining.
