Interior

Large double-fronted Victorian London detached built in 1877. Lovingly restored the house to put back many original features while updating the house for a modern family. All 5000 sq feet of the house has been through a total renovation over the last two years inside and out. The house has 5 double bedrooms (two en-suite), an office, a walk-in wardrobe, family bathroom, playroom, formal lounge, large utility room (which can be set up as crew kitchen) boot room and large kitchen/lounge/diner for entertaining. The garden is South-West facing giving the most amazing sunsets over the London skyline.

Roof repairs and enhancements scheduled for November 2020 (5 week schedule)

Exterior

The garden can be accessed through a side gate, and house power can be used to power a marquee, to be set up on the flat lawn with London as the backdrop. Other Key Facts: [] Parking: There is room for two cars or large van on the drive and permits can be purchased from the local council. Parking bays can also be suspended for filming
