Large Modern Family Home For Filming

Five double bedrooms, four bathrooms and double garage

Location: Oxfordshire, United Kingdom

Within the M25: No

Categories: Detached & Executive Houses | Designer Contemporary

Features:

Interior

Spread over 4500 sq. ft, the house is full of space and light. The ground floor is well designed for entertaining and features a spacious modern kitchen and double height snug with generous glazing, an open plan dining room and a large bar. In addition, there is a sizeable sitting room, study and separate office, along with utility room and WC.

The first floor comprises 5 double bedrooms and 4 bathrooms, including a double height master bedroom en-suite with large open plan dressing room, all with magnificent views.

Exterior

The property has a 2 bay garage and is accessed via secured electric gates. There is also room for approximately 10 cars to park on the drive with additional parking opportunities nearby.
