Large Modern Home For Filming

The property was built in the 1930s but has been totally modernised throughout with four bedrooms and two bathrooms for filming and video shoots

Location: North West London, London, United Kingdom

Within the M25: Yes

Categories: Detached & Executive Houses | Family Modern

Features:

Interior

There are four bedrooms. Two bathrooms upstairs (one of which is an ensuite to the main bedroom) and an open planned dressing area. There is a decent size landing area upstairs as well access to the loft through a latch door and ladder.

The downstairs is almost entirely open planned, comprising an open kitchen/diner and two good sized seating/lounge areas. There is a utility room off the kitchen and a cloakroom off the main lounge area. There is an understairs toilet and shoe storage. There is also a purpose-built garden house, which acts as an office, gym, and extra lounge area for the kids.

Exterior

The property was built in the 1930s but has been totally modernised throughout. It is detached and rendered white all over. There is side access to the garden. The front of the house has a driveway that can house 3 cars.
