Large Warehouse & Office For Filming - Midlands

Large warehouse in the west midlands with lots of rooms for production or filming. Easy access to central England.

Location: Staffordshire, United Kingdom

Within the M25: No

Categories: Offices For Filming | Warehouse Locations | Production Facilities | Unit Bases

Features:

Interior

Spacious 10k sqft warehouse space now available as a location complete with production office (empty), toilets, and power. The warehouse component of this integrated building has large roller shutter doors, a sparse number of steel pillars supporting the high ceiling, skylights and lights, and a concrete floor.

Exterior

External to the building there is a yard with dedicated parking spaces for a number of vehicles. Additional space (unit base capacity size) may be made available on a case by case basis.
