Categories: Detached & Executive Houses | Stately Homes & Manors | Country Estates | Parks & Gardens | Swimming Pools | Family Modern

Features:

Interior

There are 7 bedrooms in total throughout the house, 6 of which are in the main house and then 1 is above the garage in the staff quarters. All of the bedrooms have an en-suite, 5 of the bedrooms have bathrooms that have double sinks, bath and a shower. While the remainder have single sinks and just a shower.

Exterior

The garden is south facing. The driveway is gated and secure and could accommodate more than 10+ large cars comfortably. The garden is real lawn which is maintained to a very high standard. There is a 3 car garage which is largely empty and could be completely emptied if required and could accommodate 3 large cars. The house is a fully detached modern property of approximately 14,000 sq ft of internal area with about 1.7 acres of land.
