All in all, this location is extremely film friendly, and would be happy to help you with any production!

Exterior

We have a lovely outside seating area directly outside the location. Please see photos as a reference, Set against the green exterior building with cure flower boxes around its border.

Brilliant Transport links, with bus, tube and train links in very close proximity of the location. This location is also positioned next to an excellent pub which could be used as a base for cast and production crew... or simply as an excellent place for crew lunch!

There are pay and display bays available, but we can also arrange parking at the back of the café location.
